AFRIKAYA SPONSORSHIP

Education is the Most Powerful Tool to End Poverty

www.afrikaya.co.uk

I am taking part in A SPONSORED 10k WALK, on Sunday 19 May 2019 raising funds the charity Afrikaya. All monies raised will go direct to The Gambia to complete the build and maintain the Afrikaya Nursery School, a medical centre and adult education centre for an underprivileged community in The Gambia.

If you pay income tax in the UK, you can Gift Aid your sponsorship money. That way, for every £10 you donate, the charity gets an extra £2.50. Alternatively, sponsor online https://mydonate.bt.com/charities/afrikaya
